[Google Patent Search](#)The "AND" operator is unnecessary – we include all search terms by default. [\[details\]](#)**Patent Search** Patents 1 - 10 of 666 on random number and compare and probability. (0.13 seconds)Performance monitoring and optimization using an adaptive digital circuit

US Pat. 6415243 - Filed Feb 3, 2000 - Advanced Micro Devices, Inc.

The device of claim 3, wherein the **random number** accesses to the write buffer.... prob- **number** generator to **compare** the **probability** value to ability data ...Random number generator

US Pat. 4183088 - Filed Jan 31, 1962 - The United States of America as represented by the Secretary of the Navy

 $r, p$  = the **probability** that a packet has an odd **number** of Comparison of these... flip-flop states may be quantized to obtain a **random** sequence of ones and.Duty cycle corrector for a random number generator

US Pat. 6643374 - Filed Mar 31, 1999 - Intel Corporation

In an ideal **random** bit source, the **probability** that a given output bit will be a... Duty cycle corrector 200 includes storage elements 204 and 206, **compare** ...Performance and power optimization via block oriented performance measurement and control

US Pat. 6895520 - Filed Mar 2, 2001 - Advanced Micro Devices, Inc.

When the comparator indicates that the count is larger than the **random number**,the **compare** signal 404 configures the counter 401 as a down counter and when ...Techniques for the hardware implementation of random early detection mechanisms

US Pat. 6675220 - Filed Aug 11, 1999 - Cisco Technology, Inc.

Each mask extension results in a doubling of the **random number** range, so the more packets are accepted in the queue and the less steep the **probability** curve ...Random number generating techniques and gaming equipment employing such techniques

US Pat. 4527798 - Filed Feb 23, 1981 - Video Turf Incorporated

Whenever the test indicated by the diamond is affirmative, indicating that the

**random number** fetched is equal to or less than the win **probability** of the ...Compressed event counting technique and application to a flash memory system

US Pat. 6345001 - Filed Sep 14, 2000 - SanDisk Corporation

That **probability** can be altered, if desired, by changing the **number** of predetermined numbers in the storage 55 with which each of the **random** numbers 52 ...Compressed event counting technique and application to a flash memory system

US Pat. 6643187 - Filed Dec 27, 2001 - SanDisk Corporation

That **probability** can be altered, if desired, by changing the **number** of predetermined numbers in the storage 55 with which each of the **random** numbers 52 ...Electronic baseball game method and apparatus

US Pat. 4381864 - Filed May 16, 1980 - Coleco Industries, Inc.

**Random number** B is generated in a manner This function is represented by ...  
**probability** generator 84 lights up to either the time when swing button 34 is ...

### Random number generating apparatus

US Pat. 6571263 - Filed Aug 19, 1999 - System Industrial Laboratory Do., LTD

P, and an appearing **probability** of 1 is set to ( $Q=1-P$ ). The ,,,,,,, ^, , j ,  
imbalance of y is given by expected that the sequence is a truly **random number** ..
